Why a Variance Request?

The Village of Pemberton has received a Board of Variance Request for **1765 Pinewood Drive, Pemberton BC.**

Lots along Pinewood Drive above Pinewood Place are challenged due to the rocky, steep and varying topography of the sites. The proposed variance is to decrease a portion of the rear lot line setback from 5.0 metres to 3.5 metres (a difference of 1.5m) and to decrease a portion of the exterior lot line setback from 3.0 metres to 1.25 metres (a difference of 1.75 m).

How do I get more info?

The variance application may be inspected at the Village of Pemberton Office, 7400 Prospect Street from July 13, 2017 to July 24, 2017 during the office hours or 8:30 a.m. to 4:30 p.m., Monday through Friday.
