

NOTAM UPDATE

The NOTAM below was filed in March, 2018 respecting the addition of updated information for Blackcomb Helicopters.

This information has been forwarded to NAVCANADA to include in the Canadian Flight Supplement (CFS); however, the Village has been advised that the CFS will not be updated with this information until January, 2019.

As such the Village is posting this information on the website and is reminding all aviators to please check not only the CFS but the NOTAMs filed for CYP5 on a frequent basis.
