**Subject:** Review of Business Licence Fees for Cannabis-Related Businesses

---

### **PURPOSE**

The purpose of this report is to provide updated information regarding business licence fees for cannabis-related businesses for consideration by the Committee of the Whole and to seek direction from the Committee regarding amending the fees established by Business Licence Bylaw No. 855, 2019.

### **BACKGROUND**

At Regular Council Meeting No. 1529, held December 8, 2020, correspondence was received from Doug Benville, COO of Pure Extract Technologies, dated November 26, 2020, requesting that Council reconsider the fees for cannabis-related businesses. In response, Council directed Staff to review the business licence fees for cannabis retail stores and cannabis production facilities, passing the following resolution:

*Moved/Seconded*

***THAT*** discussion of business licence fees for cannabis-related businesses be brought to a future Committee of the Whole meeting for review.

***CARRIED***

A second letter requesting review of cannabis-related business licence fees, from Andrew Elliot, co-founder of Coast Mountain Cannabis, was received at Regular Council Meeting No. 1530, held Tuesday, January 12, 2021. This request for reconsideration of fees coincided with Council's above noted direction in December.

Business licence fees for cannabis related operations were initially discussed at Committee of the Whole Meeting No. 185 on January 22, 2019. The Village's Non-Medical Cannabis Retail Policy, adopted on October 2, 2018, stated that annual business licence fees should be no less than \$1,500. With this fee in mind, the Committee recommended to Council that the Business Licence Fees be established as follows:

- Cannabis production businesses, standard: \$5,000
- Cannabis production business, micro: \$2,500
- Cannabis retail: \$5,000

These fees were incorporated into an updated Business Licence Bylaw which was brought forward for Readings in February 2019.

It should be noted that the Non-Medical Cannabis Retail Policy (**Appendix A**) was subsequently amended at the Regular Council Meeting No. 1517, held June 16, 2020, and the recommended business licence fee has been removed.

Setting business licence fees for cannabis-related businesses was new territory for local governments in 2019. Fees were intended to ensure recovery of costs that included establishing the regulatory and administrative frameworks for these new business types, reviewing business licence applications and conducting inspections, ongoing bylaw enforcement of zoning, business licence and smoking bylaws, and any other municipal costs associated with the businesses. As only two cannabis retail stores were to be permitted, the Village would need to set the fees high enough to ensure cost recovery for this business type from the collection of only two licence fees each year, should full cost recovery be the objective.

At the same time, Staff recommended that the Committee consider setting fees for cannabis production facilities to align with fees for cannabis retail stores, as fees specific to production facilities had not yet been established. The recommended and adopted fees are shown in **Table 1**.

**Table 1. Cannabis Retail and Production Business Licence Fees, Recommended & Adopted**

<b>Business Licence Type</b>	<b>Suggested Application Processing Fee</b>	<b>Suggested Annual Licence Fee</b>	<b>Approved Application Processing Fee (2019)</b>	<b>Approved Annual Licence Fee (2019)</b>
Cannabis Retail	\$1,000	\$3,000	\$1,000	\$5,000
Cannabis Production - Standard Cultivation and/or Production	NA	\$3,000		\$5,000
Cannabis Production – Micro-Cultivation and/or Production	NA	\$1,500		\$2,500

An application processing fee of \$1,000 was included for cannabis retail store applications as the application process is more comprehensive than that of other business types. Additionally, retail store applications include a referral component from the Province, necessitating referrals, public consultation and advertising at the Village's expense.

An application fee was not set for cannabis production businesses as this type of operation does not require public consultation or referrals. A distinction was made between standard and micro cannabis producers to align with the federal licences.

Council adopted Business Licence Bylaw No. 855, 2019, on February 19, 2019, and was amended in November 2019 and again in November 2020. The consolidated version of the

Business Licence Bylaw is attached as **Appendix B**. The fees established in 2019, which have not been adjusted since adoption, are shown in **Table 2**.

**Table 2. Business Licence Annual Fees, Business Licence Bylaw No. 855, 2019**

Cannabis Production, Micro	\$2,500

## **DISCUSSION & COMMENTS**

### **Cost Recovery**

Quantifying the costs that cannabis retail stores and production facilities may impose on the Village is a challenge due to the lack of local data and lack of research by other municipalities. Two reports, considered below, provide some useful information.

A 2018 report by the City of Surrey (Cannabis Legalization: An Evolving Framework) looked at the experience in the US and found that when tax revenue is excluded from the calculation, the costs of regulation, education, and enforcement of cannabis-related businesses far exceeds the revenues generated by business licences and enforcement (City of Surrey, 2018, p. 41). The City of Seattle determined the cost of administering a cannabis retail business licence to be \$4,000 annually while the licence fee is \$1,500, resulting in an annual deficit of \$2,500. There are arguments, however, that such a deficit is offset by the economic benefits to the community, and the balance of costs and benefits needs to be considered in setting licence fees.

The District of Mission completed a review of business licence fees and costs in 2018 and proposed a fee structure based on 50% cost recovery, assigning business to one of six categories, with annual fees ranging from \$250 to \$10,000. Cannabis-related businesses were assigned to the highest cost category. The most significant costs were identified as police, fire, and crime prevention. Other costs included engineering, planning, economic development, support services and overhead. The fee structure was not adopted but provides an interesting perspective on how a cost recovery approach would impact licence fees for all businesses. The District of Mission currently charges \$5,000 for cannabis retail stores and \$148 for other businesses.

While 100% cost recovery is probably not a realistic objective, some costs that were incurred by the Village with the addition of business licences for cannabis retail stores and cannabis production facilities should be considered. These include development of the Non-Medical Cannabis Retail Policy which guided amendment of Zoning Bylaw No. 832, 2018, to allow cannabis retail stores in the downtown commercial (C-1) zone. Costs including Staff time, advertising, and public consultation were incurred and in the case of the zoning amendment were

not recoverable as the rezoning was not developer initiated. Further costs were incurred for the amendment of the Business Licence Bylaw.

A common approach by municipalities has been to require business licence applicants to take on the rezoning costs themselves. By initiating the rezoning in-house (both in the Village core and at the Industrial Park in 2014), the Village incurred these costs instead of passing it on to business licence applicants.

### **Cannabis Retail Stores**

In 2019, Staff presented a comparison of fees charged by other municipalities as a starting point for discussion. The 2019 information is reproduced in **Table 3** with 2021 information and additional municipalities included.

**Table 3.** Comparison of Business Licence Fees for Cannabis Retail Stores, 2019 and 2021

Mission	NA	NA	NA	\$5,000
Chilliwack	NA	\$10,000	NA	\$10,000
Abbotsford	NA	\$2,500	NA	\$2,500

As can be seen in **Table 3**, there is little consistency in licence fees. Vancouver's annual fee is set at \$33,958 while fees ranging from \$5,000 to \$10,000 are found in Victoria, Squamish, Kamloops, Langley, Mission, and Chilliwack. Fees of less than \$5,000 but more than \$2,000 are found in North Vancouver, Nelson, Prince Rupert, New Westminster, and Abbotsford. Dawson Creek charges \$625 and Gibsons, Duncan, Penticton, Revelstoke, and Nanaimo each charge less than \$500. Whistler does not currently permit cannabis retail stores but a recent Pique Newsmagazine article indicates that looking at non-medical cannabis retail and licencing is on the 2021 work plan. In some cases, development fees such as rezoning, development permits, and temporary use permits add significantly to start-up costs.

Of the local governments surveyed (**Table 3**), only one, the City of Dawson Creek, has reduced fees after a trial period. The City found no additional costs from cannabis businesses and dropped the annual licence fee from \$2,500 to \$625 to align with the licence fee for liquor establishments. At the same time, the City raised the application fee from \$100 to \$700 to cover the cost of staff time in reviewing applications. These changes were not prompted by complaints but were initiated by Council as it was their intention to review fees after a trial period.

The City of Penticton changed proposed fees after review but before implementation. The City initially favoured a \$2,500 application fee and a \$5,000 annual licence fee for cannabis retail stores, but on further review, settled on a \$2,500 application fee and the standard business licence fee of \$185.

### **Cannabis Production Facilities**

**Table 4** provides a comparison of fees from several municipalities.

**Table 4.** Comparison of Business Licence Fees for Cannabis Production Facilities, 2019 and 2021

<b>Penticton</b>	\$185	\$185
<b>Maple Ridge</b>	\$5,000	\$5,000
<b>Gibsons</b>	\$160 +	\$160 +

As with fees for retail stores, there is a mixed approach for production facilities, with some municipalities setting fees in the range of \$1,000 to \$5,000, and others relying on their standard business licence fees. Whistler currently permits only one cannabis production facility and charges the standard business licence fee of \$190. The variability in fees likely reflects the dearth of information regarding the impact of cannabis production facilities on municipal costs.

While concerns are emerging with respect to the public health and environmental impacts of cannabis production and processing facilities, currently these issues are subject to federal and provincial regulation and monitoring. Metro Vancouver, which has been delegated the authority to regulate air quality, is currently considering regulatory options to address the concerns and has published a Cannabis Production Regulation Discussion Paper that describes the risks and proposes solutions (Metro Vancouver, 2019). Of primary concern is the emission of volatile organic compounds known as terpenes (Gaica Waste Revitalization, 2020; Lee-Anderson, 2018; International City/County Management Association (ICMA), 2018). These odour-producing molecules can form harmful ground-level ozone and fine particulate matter that have been linked to health issues including nausea, fatigue, liver damage and cancer (Helmer, 2019). Research

regarding the potential impacts on the atmosphere and on worker health is ongoing (Russell, 2020).

### **Status**

The Village has collected business licence fees from two cannabis retail stores and from four cannabis production facilities since the current fees were established in 2019, for a total of \$27,500, and has recouped the initial costs incurred during establishment of the regulatory framework. Going forward, business licence fees should reflect the application costs and the ongoing costs imposed by these businesses. Application costs include application review, fire and building inspections, and review of fire safety plans, which involve more Staff time than inspections of other business types due to the complexity of the requirements established by legislation. Cannabis retail store applications include advertising and public consultation costs.

No additional on-going costs have been identified for these business types since 2019. However, should bylaw enforcement staffing levels permit, some additional costs related to enforcement of Smoking Regulation Bylaw No. 848, 2019, may be expected, as well as yearly inspections to ensure the operator is meeting the requirements set out through legislation. As this is not yet quantifiable, Staff is suggesting that business licence fees be reduced to the standard licence fee of \$150, with application fees of \$1,000 for cannabis production facilities and \$1,000 plus advertising and public consultation costs for cannabis retail stores. It should be noted that these fees will be effective beginning 2022 for current license holders and new applicants.

### **COMMUNICATIONS**

There are no communications considerations at this time.

Should direction be given to prepare an amendment to the Business Licence fees pursuant to section 59 (2) of the *Community Charter* there is a requirement to provide notice of the Village's intention to amend the Business Licence Bylaw and to provide an opportunity for persons who consider they are affected by the Bylaw to make representation to Council on the matter. In this regard, notice would be posted in the Pique Newsmagazine, on the Village Facebook Page and in the eNEWS.

### **LEGAL CONSIDERATIONS**

Section 194 of the *Community Charter* gives local governments the authority to impose a fee payable in respect of the exercise of authority to regulate, prohibit, or impose requirements.

### **IMPACT ON BUDGET & STAFFING**

Research and writing of this report have been incorporated into the 2021 workplan and accommodated during regular staff time and therefore has no impact on budget or staffing.

### **INTERDEPARTMENTAL IMPACT & APPROVAL**

As this is an information report in which direction is being sought there are no interdepartmental impacts or approvals required at this time.

## **IMPACT ON THE REGION OR NEIGHBOURING JURISDICTIONS**

A review of business licence fees has no impact on other jurisdictions.

## **ALTERNATIVE OPTIONS**

There are no alternative options for consideration.

## **RECOMMENDATIONS**

**THAT** the Committee of the Whole provide direction on business licence fees for cannabis retail stores and cannabis production facilities.

# Non-Medical (Recreational) Cannabis Retail Policy

Department:	Development Services	Policy No.:	DEV-011
Sub-department:	Planning	Created By:	Lisa Pedrini
Approved By:	Council	Amended By:	Joanna Rees
Approved Date:	2 October 2018	Amendment:	16 June 2020
Meeting No.:	1477	Meeting No.:	1517

## POLICY PURPOSE

---

The *Non-Medical (Recreational) Cannabis Policy* identifies the requirements for the sales of non-medical (recreational) cannabis in the Village of Pemberton. In particular, the policy establishes the jurisdiction, definitions, policy related to land use and zoning and includes Village requirements related to the business licence application requirements and approval procedures.

## JURISDICTION

---

The jurisdiction and roles of the regulatory authorities and the proponent in the review and approval of recreational cannabis retail businesses are generally described as follows:

- **Government of Canada** - In accordance with BILL C-45 *Cannabis Act*, the federal government has created a plan for regulating Cannabis and sets standards for health and safety, actions that are illegal or criminal and aspects of regulation that are the responsibility of the provinces.
- **Province of British Columbia** – In accordance with the *Cannabis Control and Licencing Act* (CCLA), the provincial government has established a legislative framework and full regulatory framework on how products will be sold to consumers. The Act describes general rules relating to cannabis; licensing; special rules (i.e., possession limits, personal cultivation, consumption in public, minors), enforcement and training. Certain additional regulatory powers are enabled for local governments and regional districts.
- **Village of Pemberton** –The Province has established that local governments may further restrict certain elements of non-medical (recreational) cannabis retail sales. Criteria that local governments will be able to address include, but are not limited to, the following:
  - Zoning and Land Use (including distance requirements from public uses and other cannabis-related operations);
  - Operational Requirements (business hours of operation and security features);
  - Storefront and Signage limitations, including the display of products;
  - Business Licence Regulations; and
  - Public Consumption.
- **Applicants** - Applicants for a private non-medical cannabis retail store licence must make application through the provincial Liquor and Cannabis Regulation Branch.

## OBJECTIVES

---

- To permit the legal and controlled sale of non-medical (recreational) cannabis within the Village of Pemberton.
- To encourage locations that integrate with the surrounding land uses.
- To only permit cannabis retail use in the Town Centre Commercial (C-1) Zone.
- To restrict the maximum number of cannabis retail businesses to two (2).
- To establish distance requirements from public facilities to minimize impacts and influences on minors and other vulnerable populations.
- To indicate the process by which the Village will make decisions with respect to potential application referrals from the Province and how the views of nearby residents will be gathered.

## DEFINITIONS

---

**Applicant** means a company or organization proposing to operate a non-medical (recreational cannabis) retail business in the Village of Pemberton.

**Non-Medical Cannabis** means a cannabis plant used for recreational purposes. Cannabis has the same meaning as in the *Cannabis Act* (Canada), subject to any prescribed modifications.

**Distance Requirement** means the minimum distance measured horizontally from the subject property of the proposed non-medical cannabis retail business for notification.

**Vulnerable Populations** means children and youth under the age of nineteen (19), people with mental health problems, pregnant women, and other socio-economically disadvantaged populations.

## POLICY

---

### 1. Licencing Referrals and Notification

- The provincial *Liquor and Cannabis Regulation Branch* (LCRB) will be responsible for licencing non-medical (recreational) retail businesses. A cannabis retail licencing regime similar to the current licencing regime for liquor has been established whereby licence applications must be initiated with the LCRB, before being referred to the Village of Pemberton. Refer to **Appendix A – Cannabis Retail Application Process**.
- When an application is received, the LCRB will notify the local government where the proposed store will be located. Upon receiving notice, the Village of Pemberton can:
  - Choose not to make a recommendation (which ends the licence application as the LCRB is not able to issue a licence unless the local government gives a positive recommendation); or
  - Choose to make comments and recommendations on an application, based on the views of nearby residents.

- Council will make their recommendation based in part on the views of nearby residents. Views of nearby residents will be gathered by mailing or otherwise delivering a written notification to properties within 100 metres of the proposed non-medical (recreational) cannabis retail business location and by placing notices in the local newspaper following the regulations set out in section 94 of the *Community Charter*. The notice will invite property residents/property owners to send in comments and/or attend a meeting where a decision to recommend the application be supported will be considered. This notification will be done for each and every application referred to the Village by the LCRB.
- If the views of nearby residents are supportive, the Village may send a positive recommendation to the LCRB, and the application will continue to be processed by the Province.
- If the views are not supportive, the Village may not send a positive recommendation to the LCRB and the application will be halted.

## 2. Application Referral Review Fee

- The Village of Pemberton will charge a review fee payable by the Applicant per referral.

## 3. Land Use and Zoning

- The Village of Pemberton Zoning Bylaw No. 832, 2018 prohibits medical cannabis dispensaries in all zones.
- In order for non-medical (recreational) cannabis retail sales to be permitted in the Village of Pemberton, the Village adopted a Zoning Amendment (Amendment Bylaw No. 847, 2018; adopted October 16, 2018) to permit non-medical (recreational) cannabis retail in the Town Centre Commercial (C-1) Zone, under certain Conditions of Use.
- A maximum of two (2) non-medical (recreational) cannabis retail businesses will be permitted to operate in the Town Centre Commercial (C-1) Zone at any one time.

## 4. Conditions of Use - Distancing Requirements

- Locations for non-medical (recreational) cannabis retail businesses must be at least one hundred and fifty (150) meters away from the following public uses:
  - Community Centres and Youth Centres
  - Libraries
  - Licenced Daycares
  - Playgrounds and Playing Fields
  - Schools
  - Skate Parks/Bike Parks and any other locations frequented by minors not including the Downtown Barn, Pioneer Park, Fougberg Park or the Pemberton & District Museum.
- A map showing the distancing requirements (buffers) is attached as **Appendix B**.

## 5. Operational Requirements

- Operational Requirements for non-medical (recreational) cannabis retail businesses shall be determined by the Village of Pemberton Business Licence Bylaw, as amended or replaced from time to time.

## 6. Business Licence Fee and Requirements

- A non-medical (recreational) cannabis retail business must obtain a Village of Pemberton Business Licence before operating their business.
- Business Licence requirements for non-medical (recreational) cannabis retail businesses shall be determined by the Village of Pemberton Business Licence Bylaw, as amended or replaced from time to time.

## 7. Signage

- Signage Requirements for non-medical (recreational) cannabis retail businesses shall be as determined by the Village of Pemberton Sign Bylaw, as amended or replaced from time to time.
