ISSUING

This permit is subject to cancellation without notice for any violations of the provisions of the Village of Pemberton Bylaws. If a building project does not start within 12 months of the issuance of this permit, all ground works must be returned to the original condition or to a condition acceptable to the building inspector.

Date Issued: _____ **Permit expires:** _____

Property Owner Signature *Date* _____

PERMIT CONDITIONS: If Applicable

No foundation, retaining wall(s), drilling/blasting, servicing works etc. can be started until a full building permit application has been submitted and further Village authorization is provided depending on the stage of the building permit application review which shall include but is not limited to:

- Geotech Report, site plan, engineer schedule(s) and letters of assurance etc. Please see the Building Permit Bylaw and checklist for further details.

Regarding the construction of retaining wall(s), please see Part 20 of the Building Bylaw. Retaining walls require a separate permit.
